| DYMAJET | H034 |
|---------|------|

stainless safe toilet descaler

| | |
|-------------|--|
| description | |
| application | DYMAJET is designed to remove scale and staining from glazed ceramic surfaces. DYMAJET is viscous and will cling to inclined and vertical surfaces. DYMAJET may also be used to clean stainless steel. |
| directions | To clean surfaces, squirt DYMAJET along top of surface to be cleaned. Leave for a few minutes, then brush vigorously and rinse with water. To clean stainless steel, use 1 part DYMAJET to 4 parts water and rinse with water after cleaning. DO NOT USE DYMAJET on non-ferrous metals, marble, enamel, chrome or brass. |
