

A005 : Selbrite

drybright metallised polish

Description of product

Metallised polish for extreme strength and durability coupled with ease of removability. Produces a deep shine with excellent slip resistance without burnishing. Protects and prolongs the life of flooring materials. May be easily maintained by damp mopping.

iNsight Supported

iNsight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>

iNsight recommended product uses

Flooring - applying floor polish (mop application)	typical dilution
	neat

Product Hazards and PPE Requirements

Contains : Benzisothiazolinone

Risk Phrases
Contains Benzisothiazolinone. May produce an allergic reaction.

Safety Phrases

Technical Data

Composition A blend of acrylic copolymers, resins and copolymer wax incorporating wetting agents and film forming aids in a stable water based emulsion form incorporating metal cross linking additives

Appearance Translucent emulsion

Colour White

Viscosity <10 cps

Density 1.024

pH 8.0 - 9.0

Activity 15%

Fragrance Characteristic slightly sweet

Stability 2 years in a unopened container

Storage Protect from freezing

Environmental Profile

Biodegradability
All surfactants contained in Selden Products meet the requirements of the EU Detergent Directive 2005 – 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO2 and water.
